As I am traveling telling people and churches about this ministry that is so needed, I am hearing so many stories about families going through what my family went through, and it breaks my heart. I am praying for all of you, and so thankful for all of you praying for me. Let's push back the enemy for the glory of God.

I've been thinking about some older songs. Do you remember the song Enemy's Camp from the Brownsville revival in the 90's? I went to the enemy's camp and I took back what he stole from me, he's under my feet, Satan is under my feet. We can do this as a team!!!

Consider: You have the power to significantly impact the lives of individuals in your community who are facing life-controlling issues. Your generosity can assist them in overcoming these obstacles, enabling them to lead improved lives and leave a positive legacy for future generations.

Prayer Requests:

- *My full budget
- *Establish new groups in local churches
- *More facilitators
- *Reliable vehicle to travel the East Coast
