

East Coast Chronicles

I have been invited to present Ready Now Recovery at several churches including El Shaddai in Wharton, Full Gospel in Livingston, and First Assembly of God in Freehold.

Stay tuned to find out where I will be going next!

I also had the opportunity to set up tables at the Women's Conference and Men's Retreat.

Consider

You have the power to significantly impact the lives of individuals in your community who are facing life-controlling issues. Your generosity can assist them in overcoming these obstacles, enabling them to lead improved lives and leave a positive legacy for future generations.

Prayer Requests

To secure funding to continue the work.
To establish groups within local churches that can promote freedom and hope within their communities.
To recruit individuals who can serve as facilitators.
I need a reliable vehicle that can transport me up and down the East Coast as I pursue my mission.
