

East Coast Chronicles August 2026

Hello to all my friends!

We were at the SBC Conference in Orlando FL. We talked to over 100 pastors that are interested in groups

Our 2nd RNR Summit at the ATC Conference - Speakers from Convoy of Hope, Warriors Journey, and Ignite Evangelism

Thank you Pastor Bob and Carol Brown! True Life Worship Center in Oyster Bay, NY - They have signed up to start groups!

Exciting news! I had the incredible opportunity to bring Ready Now to Impact Ministries in Bayonne, NJ, alongside the amazing Pastor Cas and Sandra Fontanez. While I wish I had snapped some photos to capture the moment, the real highlight is yet to come

One of our newly approved facilitators is gearing up to present Ready Now to the school board. We're on the brink of launching groups at the high school level! Let's fuel this journey together and make a lasting impact.

Will You Help Bring Recovery to the East Coast?

I'm at **43%** of my monthly support goal, and I'm inviting **new** ministry partners to step in now. God is opening doors across 16 East Coast states, and your partnership helps me reach them. Every monthly gift matters! \$25, \$50, \$100, or another amount.

Would you prayerfully partner with me today?

The need is urgent. Together, we can bring hope and healing across the East Coast.

Prayer Requests

- Pray for more open doors in the Northeast.
- Pray for the new facilitators as they begin serving in their communities.
- Pray for the participants in the groups
- Pray that churches will start Ready Now Recovery groups.
- Pray for safety and wisdom as I travel throughout the East Coast.
- Pray for God's provision as I continue raising support.
