Dear Friends and Supporters,

As we come together this Thanksgiving, I want to express my heartfelt appreciation for your financial support and prayers, which has enabled me to extend a helping hand to those battling addiction. Your generosity has been a beacon of hope, making a significant difference in the lives of so many.

Your unwavering support empowers me to continue this essential work, and for that, I am eternally grateful. This season, let's keep spreading compassion and lifting each other up. Thank you for being such an integral part of this journey towards healing and hope. None of this would be possible without you.

Wishing you a warm and joyful Thanksgiving,

Some testimonies!! This month I went to New Creation Church in Jamestown NY. After I shared this minsitry with the church, a young family approached me. The young man was struggling with addiction and my story spoke to his heart- praise God he is now in detox. I was able to give all the information for the Adult and Teen Challenge in their area.

Over the past two months, there were 12 people interested in becoming facilitators!

God is moving in my own family as well. My son Mark accepted the Lord in August, baptized in September and married in October! I reconnected with family that I havent seen in over 25 years.

I am so thankful to everyone who helped me get my car! I put ove 1200 miles on my car since the begining of the month- My old car would never have made it.
